block diagrams, and Operational description pursuant to an
application for certification**

Gentlemen,

We, Delphian Systems LLC., would like to request that all schematics, block diagrams, and operational descriptions submitted with the application for certification be withheld from public disclosure as per Section 0.459 of FCC Rules.

These sections authorize the withholding from public inspection, those materials which would be privileged as a matter of law if retained by the person submitting them, and materials which would not customarily be released to the Public by that person.

If you have any questions, please do not hesitate to contact us at 847-419-7980.

Sincerely,

Gary Myers,

Director of Technology

Delphian Systems LLC.
